

Hotel Presidente

Hotel Presidente **** Description

The Presidente was built between years 1925 and 1927. Completely rebuilt in 2000, keeping all the flavor from its recent history, shared by all the personalities that choose it as their lodging when visiting Havana.

In its interior they are exposed more than 400 catalogued pieces of art, giving a very special flavor to the visitor from the first moment of its arrival. The client will be able to enjoy its "Lobby museum", to rest in the swimming pool, or will have the possibility to enjoy the Havana life just withing minutes walk.
