

Hotel Nacional de Cuba

Hotel Nacional de Cuba ***** Description

Hotel Nacional de Cuba means pride for people from Havana and admiration from foreigners.

This landmark hotel stores the still warm memories of the illustrious women and men who visited the island in the last century.

Distinction and class constitute the names of the renowned Cuban hotel, which keeps intact the residence of the Republic with the same elegance it had when being witness -and sometimes protagonist- of numerous moments, now part of Cuban history.

The hotel also includes the famous Parisien Cabaret, one of the best nightclubs in Havana.
